The other half of the year group worked in the school wildlife garden and pond, creating vegetable beds and a new composting area as well as planting numerous trees.

## Year 7 Creative Arts Project ends in triumph!

The year 7 Creative arts project came to end this week – culminating in performances in school and at Chester University. The performances were hailed a success by all who saw them and were a good opportunity for the students to show what they learnt exploring the possibilities of fusing Capoeira with live drawing!
