### **WJEC text books - Hodder Education**

<b>Double award</b>	WJEC GCSE Science Double Award	ISBN 978-1-4718-8359-0
<b>Triple Science</b>	WJEC GCSE Biology	ISBN 978-1-4718-8350-7
	WJEC GCSE Chemistry	ISBN 978-1-4718-8353-8
	WJEC GCSE Physics	ISBN 978-1-4718-8356-9

**Website** - WJEC website [www.wjec.co.uk/qualifications/science/gcse](http://www.wjec.co.uk/qualifications/science/gcse)

**FREE Revision guides** on Bangor University website: <http://www.bangor.ac.uk/ccm/gcserevision>

**Apps** - WJEC GCSE Science review – they also do specific Biology, Chemistry and Physics ones.

**Quizlet** – Download the app for free and go to Miss Gill-Taylor's study sets for Biology and Chemistry online flashcards.

## Revision techniques

**First off, GET ORGANISED!** Have a folder/wallet for each of the topics you are studying, know what they are called and which exercise book the work is in.

Then for each topic, work through the following steps until you can correctly answer the questions.

1. Look at the specification and make **1 page of summary revision notes** on each point/concept using exercise books and revision guides.
2. **Attempt questions** (exam papers/packs/bitesize/any others you can find)
3. **Mark questions and correct any you got wrong.**
4. Any incorrect get **added to revision notes** in the form of a fact or model answer. – seek help if you don't know where the answer came from!
5. **Repeat** until ALL questions are correct.
6. **Simplify** revision notes over time removing content you know leaving behind what you still need to work on.

**START NOW – GIVE YOURSELF THE BEST CHANCE!!**

**Mr Simon Wilson – Head of Science**
